
for each game mode. Each file contains a save game folder and a list of the events in the game. The first item in the list of events is for the initial load, the second for the load after a regular game, the third for a high score, and the fourth for the next game. Flubber also features a short story mode, which allows the player to unlock cut-scenes at the end of some game modes. The game contains forty-two cut-scenes in total. The first cut-scene to unlock is for the Normal mode when the player completes a regular game, the second is for the Easy mode when the player completes a regular game, the third is for the Twice mode when the player completes a regular game, and the fourth is for the Triple mode when the player completes a regular game. The other cut-scenes are divided by character; the first is for the main character, Flubber, the second for Professor Chiflado, the third for Mrs. Señorita Henning, the fourth for Mrs.Chiflado, the fifth for Cantinflas, and the final 3da54e8ca3
