Drinking water in Hythe Hythe is one of the best places to live in the UK. It has much to offer, including lots of interesting places to visit, as well as a wide range of accommodation. Situated in the Thames Gateway Area of Outstanding Natural Beauty, Hythe has a mixture of traditional and modern amenities, with many local destinations for active holidaymakers. Hythe's shops and leisure facilities include many local cinemas, restaurants and cafés, as well as its own library. Local people, many of whom have been residents for years, are passionate about their town and are happy to offer advice on where to go for a drink or a bite to eat, and many local business owners keep their doors open until late. The town hosts many festivals and events throughout the year, making this a popular destination for visitors.Q: MVC3 HtmlHelper not supporting Javascript aspnet validator I am trying to validate form fields using a javascript validator. I am trying to create a custom validator using HtmlHelper. This is working for TextBox fields but not for DropDownList. My code in the view looks like this @Html.TextBoxFor(m => m.UserId, new { @class = "userid", data\_val=true, name = "UserId" }) @Html.ValidationMessageFor(m => m.UserId) Icb139a0ed
