
Microsoft Baseline Configuration Analyzer 2.0 ^HOT^

[Download](#)

March 9, 2560 CE. - I'm trying to download Microsoft Baseline Configuration Analyzer 2.0. When loading, the message "Microsoft Baseline Configuration Analyzer version 2.0 is not supported" appears. March 9, 2560 CE - I'm trying to download Microsoft Baseline Configuration Analyzer 2.0. When loading, the message "Microsoft Baseline Configuration Analyzer version 2.0 is not supported" appears. I have tried both from the Microsoft site and from the internet at various sites. Tried different versions. Nothing helps. I could not find an answer on the Internet, what to do in this case
