
The Winner Notebook Earl Nightingale Pdf Download \\FREE

THE STRANGEST SECRET Earl Nightingale. About the author. As a child of the Depression era, Earl Nightingale craved knowledge. Since then, when he first saw the image of Christ on the wall of the school, he realized that Jesus Christ is the only person he wants to know! His father was an accountant, his mother was a teacher. Earl grew up surrounded by teachers, people who were taller and better than him, and he never felt more alone than at school. His parents gave him a complete secondary education, and this began his path to science. By the end of high school, he already knew and was able to do more than many college students.
