## Multiviewer 2.0 Easycap Software 32

This is a guide to correctly installing Windows 7 and Vista drivers for Easycap video capture... If you don't know what video capture is, check out this article which explains what video capture is. I won't confuse you because it's not that easy, but if you want to use video capture, then we'll take a look at it here. Now that you know what video capture is, we will tell you how to install and use drivers. But first, to get started, let's see what the installation process looks like. Step #1: Go to the manufacturer's website. Step No2: Click Download Button
