When the War of the Iron Dragon ends, and the wake of destruction begins to settle, the powerful weapon "The Elden Ring" is hidden in the center of the Lands Between. Some say this weapon is an object of incredible power that could easily rule the world. The Sword of War, the Sword of the Elden Ring, is one of the two weapons in the land. When you defeat monsters and collect monsters for the glory of the Elden Ring, one sword rises from your side... Your name is Tarnished, a youth wandering the Lands Between. Could the Elden Ring be waiting for you to rise? In this fantasy RPG action game, you will take on the role of Tarnished, embark on a journey to the Lands Between, and rise from a youth to a powerful lord of the Elden Ring. > STORY "When the War of the Iron Dragon ends, and the wake of destruction begins to settle, the powerful weapon "The Elden Ring" is hidden in the center of the Lands Between. Features Key:

Active skills Master a series of arcane skills by activating spells. Spells are divided into four groups with different properties.

- Paralysis spells Apply a paralyzing effect to an enemy or ally for a fixed period of time
- Radiant spells Radiant spells skillfully uses the destructive power of the rune, as well as other causes and conditions, and reflect and use damaging waves to inflict damage.
- Dream spells Unlock a series of dream-prompting spells to create dreams within yourself or your allies. Some dream spells will awaken important messages from the Moon.
- Empathic spells Strengthen the connection between yourself and another character. Empathic skills skillfully reinforce the bond between allies.

Specializations Upon the completion of the main story, you will be able to obtain useful specializations based on your battle and skills.

Online Battle System A system that combines the battle system used in FFX, FFX-2, and FFXIII, with newly added elements to support online battling.

Elden Ring features:

-
- Play Style A dual character development
 - Charm Attackers You will know which attack is the best attack for every situation. “Charm Attack” boosts your character’s charm attack rate and attack skills that boost your charm attack even further.
 - Straight Shooter Enemy moves will inflict more damage, recover at a faster rate, and even take less time to perform their attacks.
 - Glare Attackers The enemy will launch attacks at you while your element is being restored. This leaves your guard reduced by half while restoring your element.
 - Steady Lancer When attacking with a long-range attack, the enemy will suffer increased damage while under attack.
 - Athletics-Boosted Lancer Lancer will ascend up when the allied character surpasses the required strength to perform a powerful attack.
 - Decoying Attackers An attack will be launched at the enemy that needs
