He tries to break out and in a desperate race he arrives at the home of his brother, Tracy. Only a few minutes later he walks into a casino where his brother was the security guard. Who's in the picture? T iny as Tracy, adoring wife of Gary. Tracy often goes with Gary to the casino. Gary's Faces The first is an original creation of mine. I just wanted to try out something different. I am pretty happy with how it turned out. The next two are creations by a friend. The eyebrows are done by Jessi Dunn and the rest done by Tamara Dodla. I am sure it's not his character in this. I am not even sure if he was still alive this far in the future.
