“For a total newbie like me, I never knew there are actually tons of adventure games for Android. In this age, I must say that not a lot of games that are actually good, you know. TGRN is a great one. It’s a 2D action RPG, mixing turn-based combat and real-time battling. From the gameplay and graphics to the soundtrack, everything about it is indeed worthy of praise. The storyline is also quite nice and unique, with realistic graphics and stories. So if you wanna play a new RPG you should definitely check it out!” — Beta Geekasia ( “This title is easily one of the best titles for android you’ve probably never played. TGRN is available on multiple platforms, but is also easily available on android. I played through the game about a dozen times already, and each time I run into a new challenge and I never get tired of playing it.” — Android Police ( “TGRN is simply great. It takes solid mechanics from classic RPGs and makes them intuitive and fun to play with. The combat is responsive, challenging, and fast, which is a huge plus. There is a good variety of weapons and armor with a good flow of items. The levels themselves have different areas with different enemies, and each is exciting to fight. Combat is great, with the focus on you winning the fight, not the other party. Likewise, there is a great variety of buildings and upgrades, as well as a wide amount of items. I don’t know how I would play the game now without playing as much as possible, as I’m continually discovering new things to do and items to collect.” — Touhou Community ( “There aren’t many action RPG’s on the market these days but nevertheless TGRN is definitely one of them. TGRN doesn’t only offer a fantastic gameplay, but also features a fantastic story, accompanied by equally fantastic writing. A solid RPG if there ever was one!” — The Android Game Magazine ( “All in all, TGRN is a fun game that doesn’t necessarily cater to the hardcore RPG players, yet still has the well bff6bb2d33

Join the world of Elden LORD Destiny is drawing to the Lands Between. Elden, a hero chosen by destiny, is dead. Undead on the surface and in the Dungeon, the sole heir to the Ring, and the Lord of Darkness, Nightmare, have called forth a horde of monsters and stolen the Ring of the Elden. A world where quest lines

---

intersect In the lands between the lands, you can satisfy your desire for adventure by completing quests to rise as an Elden Lord. The lands between are a place where both adventure and conflict reside. The lands between are also a place of truth and lies, where the truth of the Elden Rune shines. The Rings on your hand Using the power of the Elden Rune, you can rise up as a Knight of the Elden and become an Elden Lord. Change the fate of the world by slaying monsters. Defeat Nightmare who has stolen the Ring of the Elden and the lord of the Underworld. You will also encounter the power of souls, each with their own characteristics. Combine power, equipment, and skills In the Lands Between, you can freely combine weapons, armor, and magic with the skills and items you find. Develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. Join the unforgettable journey with your friends For online play, you can directly connect with other players and travel together. In the process, you can exchange skills and items and grow stronger together through the development of your characters. **Samurai Shodown VI Receives a Special Gift**

**Like a thunderstorm in the Dragon's Nests, an announcement for Samurai Shodown VI has just begun to land. In March 2018, we released Samurai Shodown VI for PlayStation 4 and Xbox One. Now, in celebration of its upcoming global release, we are giving out a limited edition suit for the protagonist, Sadina. This exclusive suit not only offers a different appearance, but also many charms that set it apart from other retail products! Interested parties can verify the legitimacy of the list and order menu above, and also check out the release date and contents page on the PlayStation website.**
