The game of destiny that is the Elden Ring is a fantasy action RPG where the player plays as a hero who is one day destined to become an Elden Lord of the most powerful company, and from that point on wanders the Lands Between, a semi-mythical world that is the result of the magic of the Elden Ring. The Players:

- You will be playing as a hero who is destined to become the next Elden Lord.
- You will be experiencing the epic and exciting story of the new fantasy action RPG.
- You will be wandering the Lands Between as a hero who is guided by grace. [Character Design] Customize Your Hero's Appearance
- You can customize your hero's appearance to look exactly the way you want.
- You can freely equip a variety of weapons and items.
- You can customize the appearance of the various party members, and create the perfect party to enjoy online. [Combat and Play Style]
- The state of your life is divided into 3 categories: vitality, strength, and Spirit.
- The player can increase his muscle strength to become a strong warrior, or learn magic that enhances combat abilities. [Epic Drama Born from a Myth]
- A multilayered story that is told in fragments.
- The various thoughts of the characters will intersect in the Lands Between.
- A mystery lies ahead. [Asynchronous Online Play]
- You will be able to connect to other players and travel together with the game.
- You will be able to experience the new fantasy action RPG with other people.
