Trippy camera movement and clunky motion blur make for a shaky looking film, but after a few minutes, the view becomes surprisingly calm and immersive. From a peak of over 31,000ft, the 173m-high wind turbine at Southpower's Methven turbine farm erupts from the side of the mountain. The South Island is the larger of the two main islands of New Zealand, being six times the size of the North Island, although it is only slightly more than 6d1f23a050
