According to the affidavit, police later talked to one of Cody Stubbs's roommates and got a description of where he last was, but could not find him. Police also found photos of Cody Stubbs online posing with other people in front of firearms, the affidavit says. Two days later, police went to Cody Stubbs's sister's house and found a computer they connected to Cody Stubbs's cellphone. They found there the photos of the guns Cody Stubbs was holding in those photos, and a picture of a handgun Cody Stubbs was holding, the affidavit says.
