# Taiko No Tatsujin Plus Song Pack

**Download**

the kids category is now split in two, the previous category containing all the songs from the previously mentioned games, including the ones from taiko no tatsujin: nintendo switch version!, and a newly added one. the second console game in the series is a main game featuring a total of 86 selectable songs, 23 of them in the anime category. all the songs available from the start are playable, plus one more in the anime category and 12 in the namco original category, most of which are returning from previous arcade games. the only new song is a parody of the super sentai series, daimyō sentai goggle v , which is unlockable and is also in the sentai category. the first console game in the series is a main game featuring a total of 86 selectable songs, 23 of them in the anime category. all the songs available from the start are playable, plus one more in the anime category and 12 in the namco original category, most of which are returning from previous arcade games. the only new song is a parody of the super sentai series, daimyō sentai goggle v , which is unlockable and is also in the sentai category. the final version of the game, released in japan in september 2010, features a total of 1,500 songs, of which only 595 are from the japanese version, 1,114 from the other countries, and the rest from the japanese radio broadcast. this makes the final songlist a composite of 871 songs, of which 730 are japanese and 241 from the other countries, including 152 from the other regions of japan. the game also features a song select feature, which allows you to select songs in both real time and pre-selected order, unlike any previous game in the series. however, the total number of available songs is 960, with only 500 being playable in-game. like other previous games in the series, it features two categories (other than the game and variety one): anime and other. unlike all previous games, it has no other category besides the game and variety categories, and the music recruitment category has been removed completely.
