Items 1 - 7. APPENDIX 120.M. SWIMMING POOLS, SPAS AND HOT TUBS. SECTION 120.M101.2.121. Description and Access. 121.1 The Master Plan for Florida Swimming Pools, Spas and Hot Tubs was adopted by the Florida Board of Health May 22, 2008 and became effective on July 1, 2009. The Master Plan for Florida Swimming Pools, Spas and Hot Tubs lists a minimum of a 1:100 ratio of proper floor area to square feet for pools and spas in residential or commercial structures. The minimum square feet for the first four swimming pools, spas and hot tubs to be constructed in Florida (30,000 square feet, or 595,544 square feet) was established by the Board of Health in its Master Plan. Any square footage in excess of 30,000 square feet or in excess of 595,544 square feet shall be subject to the provisions of the following paragraphs only. The Master Plan for Florida Swimming Pools, Spas and Hot Tubs delineates areas for those structures to be located within. Section 120.9(1)(g) provides that the Master Plan may not be amended to the detriment of any person, property or public interest. Any person seeking to construct, reconstruct or alter a pool, spa or hot tub in violation of the Master Plan, or that affects or interferes with all resources, is subject to prosecution pursuant to state or federal law or regulation in any manner or case by the Attorney General and, upon conviction, could be sentenced to no more than one year in state or county jail or fined up to three times the assessed value of the structure.
