A.I probably won't come back here, but just in case, I just have a couple of minor questions: 1) If I download your app from the store, will I have to download the same app from your site again to play my games after I get it from the store? I ask because I have been downloading most of the games and I really like them and I want to buy them when they get free or just buy them from the store because it's hard to track them down now. Hi there, Got lots of questions? To make your life much easier, I've added a FAQ page where you can find quick answers to all your questions. It's all right here! 79a2804d6b
