"rudolf".rudolf.kennedysQ: Two errors when using JS to bind an input and an alert I'm learning JS and I'm trying to make an input binded to an alert. The JS code is below. The first error is in the first line: Syntax error, unrecognized expression: unsupported pseudo: document the alert is showing up as a string so I can't just use the "." operator to try to remove the "document". So how can I remove this string and make the alert work? var i = new Array(); var ii = new Array(); var iii = new Array(); var iiii = new Array(); var iv = new Array(); i = document.getElementsByName("i"); var input: document.getElementsByTagName('input'); var output: document.getElementsByTagName('p'); function bind(thisvar, n, \$n){ var x = document.getElementById('output').innerHTML; if(n.value == thisvar.value){ x = x + input[n].
