Cifu. .Association of National Basketball Associations) and the National Basketball Players Association (NBPA) have signed a Memorandum of Understanding designed to share and discuss pertinent information and research on the issues surrounding concussions in all aspects of basketball. Concussion injuries are one of the major health issues in high-school and collegiate basketball and are impacting youth basketball. The NBA Board of Governors unanimously adopted the following resolution: "The National Basketball Association (NBA) hereby expresses its support of the NCAA's ongoing efforts to evaluate the ongoing effects of concussions in basketball, including the recently established injury tracker. The NBA believes that the NCAA's efforts should continue to focus on the real need to protect and preserve the health of student-athletes, and would remain a vital and worthy partner in this important project." NBA Commissioner Adam Silver, in part
